

Guaranteed Funds Are Now Available to WC Members

This is a non-competitive grant and all Workers' Compensation members are guaranteed funds.

If you haven't applied for your Workers' Compensation Safety Improvement Program (WCSIP) money, call your Risk Management Consultant today!

The WCSIP Program offers financial assistance to members to purchase safety equipment for the purpose of controlling workplace injuries. Funds may also be used for training to address specific individual needs of that member.

A sample of eligible equipment that may be purchased with funds from the Workers' Compensation Safety Improvement Program are:

- Resident Lifting Devices
- Anti-Slip Material (mats, coatings, etc)
- Wireless Bed Alarms
- Confined Space Entry Equipment
- Lifting Devices (dollies, handcarts, etc)
- Exterior Walkway Lighting
- Ergonomic Equipment
- Stepstools/Ladders
- Safety Training Consultants
- Security Assessments
- Training Materials
- and more
